---

---

---

---

---

**LDL Consultant:** Andrew / Eric/ Jeff

**Recommended Lighting Strategies:**

---

---

---

---

---

---

---

---

---

---

*Since the Lighting Design Lab is funded to promote the use of better lighting quality and more efficient lighting solutions, an evaluation of its services is needed. By utilizing this consultation service the LDL reserves the right to a six month project follow-up to determine and document if recommended strategies were implemented as well as to review any issues with consult implementation.*
