

## LDL LED Manufacturers Checklist

The LDL LED List is an interim qualifying list while your product is being reviewed by Energy Star or DLC. Products will be permanently removed 12 months after posting date.

Please fill out all applicable fields in the checklist below. Incomplete submittals will be returned.

The following 5 documents are required. Please submit as pdf attachments in an email and send to: [ledlist@lightingdesignlab.com](mailto:ledlist@lightingdesignlab.com). *NOTE: Please submit only one product per email.*

1. LDL LED Manufacturers Checklist (*this form*)
2. LM 79 Report (*must include all values required for this checklist*)
3. Product warranty
4. Product spec sheet
5. Certification by a Nationally Recognized Testing Laboratory such as UL or ETL
6. Product sample (*for integral LED lamps only, and within 30 days of submittal*)
