Status of LED Product in Review

www.lightingdesignlab.com

This purpose of this list is to inform you that we have received an email submission for your product and your manufacturer's checklist is complete. Once we see your checklist is properly filled out, the entirety of your paperwork will be reviewed and your product will be processed. Please allow 3-4 weeks for your final status. You will receive email notification when our review is complete. Please refrain from calling or emailing as this slows down the complicated process.
